

Former Hamlin Boy Electrocuted While California Worker

H. Callaway Wendel Jr., son of Mr. and Mrs. H. C. Wendel, formerly of Hamlin, was electrocuted August 2 at Stockton, California, word received early this week reported.

Young Wendel, 23, was employed by an electrical company which had sent he and another man to the Stockton Country Club to pull and repair an electric pump.

The pair checked for high tension wires and thought that the wires stopped at a transformer some distance from where they were working. But upon pulling the pipe, the upper end lodged against a tree and Wendel caught the lower end with his hands where he received a 4,000 volt charge, killing him instantly.

Young Wendel was a veteran of World War II and unmarried. His mother is the former, Eda Driskill of Hamlin. Other survivors included: a brother, William James; his paternal grandfather, J. W. Wendel, long time resident of Hamlin; his maternal grandparents, Mr. and Mrs. J. S. Driskill of Wellington and also a host of other relatives and friends.

Lt. Garrett A. White Receives Air Medal

Lt. (jg) Garrett A. White, son of Mr. and Mrs. Lewis C. Yates of Hamlin, was awarded the Air Medal for heroism as a fighter pilot against the North Korean communists by Vice Admiral Arthur D. Struble, Commander of the 7th Fleet of the United States Navy.

Ceremonies were held recently aboard an aircraft carrier in Task Force 77 operating in the Far Eastern Area, the report concluded.

Rotarians View Santa Fe Movies

Hamlin Rotary Club met Wednesday for their regular noon luncheon and saw a Santa Fe movie entitled, "The Grand Canyon."

The film showed views of the great national attraction and tour to different parts of the park. Program was brought by Weldon Johnson.

Jere Lynn Irwin was pianist at the meeting and Donald Johnson was introduced as Junior Rotarian for the month of October.

There were six visitors from Abilene, two from Stamford and James Freeman of Stamford was a guest of Pat Marlowe.

Dickie Ferguson Well Is Producer

Interest intensified in the area west of Hamlin as the report was circulated Thursday that the S. P. Tucker E-5, being drilled by the T. P. Coal and Oil Company had set pipe in the Ellenburger.

Word received was that the pay had been found 30 feet high from other wells drilled in this sector.

Oxford Drilling Co. and Sky High Oil Co. are reported to be at 2,000 feet on their Joe Culbertson Number 1 which is being drilled in the neighborhood of the Flat Top school.

Rumor is that the T. P. Coal & Oil found no production in the Canyon on their Port Williams well and will be compelled to install a larger rig to go to the Ellenburger on this hole. Another rig will stake a Swastika try on the Williams property.

Atlantic Refining Company has set pipe at 3765 feet on their Y-6 well. Production will be from the Swastika sand.

Moutray-Moore have tested the Hope on their W. J. Bryan Number 2 and results were favorable. The well will be drilled on to the Swastika.

In the East Hamlin field S. C. Herring has completed the C. P. Emerson well and are moving to another location on this property.

WHATCHA THINK?

A letter was received by The Herald thusly: Well Editor, it has happened again. School started only two weeks ago, and already one accident has occurred at the same corner of the grade school ground where four others took place in one year. We have no stop, slow or school zone signs yet. What will happen when the freezing weather ices windshields?

Will we be forced to sacrifice a child before any safety measures can be taken for our school intersections? What will it take to rouse us? No one wants his child picked up mangled, broken and bleeding or perhaps dying in order to awaken the general public. Are we going to wait that long?

Is our little city too poor to buy signs or lights to protect our children? Or don't we care?—A Worried Mother, Mrs. J. S. Norton.

Officers Chosen For Hi School Classes

Organization meetings of the classes in Hamlin High School have been completed and officers for the year have been named.

The Seniors, with 52 enrolled in the class, chose Donald Green as President; James Bigham, Vice President; Beth White as Secretary and Treasurer and Oleta Kite as Reporter. Mrs. Mary Farrow and Jess Burditt were named as Sponsors.

Chosen as Queen of the Seniors was Doris Rodgers with Charles Binnicker as Escort and Oleta Kite and Dorothy Altum as Ladies in Waiting. Student Council representatives are W. T. Stapler and Gwen Norris.

The Junior Class with 53 members, named David Ford as President; Jim Harwell as Vice President; Eleanor Hutchinson, Secretary-Treasurer; and Barbara Posey and Sarah Jean as Reporters. Queen was selected as Susanne Hudson; Escort, Bobby Potter; Ladies in Waiting, Barbara Posey; Student Council representatives, Laura Courtney and Jim Harwell. Sponsors are Miss Malory and Vernon Townsend.

Sixty-seven members of the Sophomore Class chose Donald Strain as President; Nona White, Vice President; Allene Reynolds, Secretary and Joe R. Resenbaum as Reporter. Queen is Billy Putnam; Escort, Clark Hewitt; Ladies in Waiting, June Carter and Ella Mae Turner.

Sophomore Student Council representatives are Don Johnson and Adell Altum. Sponsors are Mrs. Austin Poe and Miss Sullivan.

Freshmen enrolled in the high school this year number 68 and that body selected Betty Best as President; Don Crowley, Vice President; Atha Lea Grice, Secretary and Kenneth Kelly, Reporter. Tommie Lowe was chosen as Queen and Billy Poole will be her Escort. Ladies in Waiting are Janice Agnew and Norma Jo Murff. Student Council representatives are Betty Best and Robert Angel. Mr. Weir and Harold Eades were named as Sponsors.

The eighth grade has 84 members enrolled and they will be presided over by W. H. Holland. Ronald Hill is Vice President; Peggy Briscoe, Secretary and Loveta French, Reporter.

Queen was selected as Amanda Freeman with Billy Ray as her Escort and Ladies in Waiting are Patricia Daniels and Loveta French. Representatives to the Student Council are Peggy Briscoe and Billy Ray. Sponsors are Miss Wooten, Miss Parrish and Bob Nunley.

This brings total enrollment in the high school to 324 for the term.

LES COWAN HERE

Burly Les Cowan has returned to Hamlin from his stint with the Los Angeles professional football team.

Reports are that the management failed to fulfill their contract with Les and he will seek other connections.

Mohican Indians are not entirely extinct.

Pipers Find Scoring Punch To Down Anson In Gridiron War

Tigers Suffer From Late Penalty Siege

The victory tosin finally was sounded for the Hamlin Pied Pipers in their game with the Anson Tigers Friday night when the locals registered a 18-13 victory.

Faced with a drouth of touchdowns in their games with the Stamford Bulldogs and the Haskell Indians, the Pied Pipers set about to remedy the situation in a hurry in the game with Anson. The game was only a few minutes old before Hamlin had combined a passing attack with savage running on the part of Don Gregory to chalk up their first marker of the season.

Operating smoothly with Billy Sutherland in the man-under slot, the entire Pied Piper squad displayed the type of attack which had been dormant in their early season encounters. Blocking was sharp and protection was good throughout the entire first half of the game.

Late in the first quarter, Billy Sutherland, from the linebacker's position, tore through a hole provided for him by Carr and Stapler and blocked an Anson punt which killed the ball in Hamlin's

possession on the Anson seven yard line. Two line plunges advanced the ball to the one where Sutherland sneaked it over for the second Hamlin touchdown of the evening.

A hard charging Anson line hurried both tries for point conversion by Don Rowland and the score stood at 12-0, Hamlin.

Late in the second quarter Tommy Howell got off a 25-yard pass to Jim Thompson on the Hamlin 17-yard line and Thompson raced over for the marker. Thompson sent the ball through the up-rights for the point after TD and the end of the half found Hamlin leading by a margin of 12-7.

Anson's Tigers returned to the field with a fresh charge of Hadacol as they received the start the third quarter and they were spearheaded by the running of Thompson and the passing of Howell to Beck to Hamlin territory. Here a pass interference penalty which was unintentionally committed by the Hamlin defense brought the ball to the 17-yard line. The Pied Pipers were apparently stunned by the turn of events and Thompson ran the 17 remaining yards unmolested on the first play from scrimmage.

Try for extra point was blocked and for the first time in the

ball game Hamlin trailed the Tigers.

In an attempt at an onside kick which Anson had employed consistently, Hub Hopper pounced on the pigskin on about the mid-field stripe. Alternating carries by Green, Ford and Gregory set up a beautiful pass from Sutherland to Goodgame which netted about 25 yards and placed the oval on the seven yard stripe. The Pipers bulled the ball to the one and Sutherland again slipped through for the tally. Again the try for point was futile.

Anxiety was great as the Pipers kicked off to the Indians to start their do-or-die stand to protect their lead. Stapler and Armstrong and Hopper smothered a determined attack by Anson and forced the Tigers to go to the air for yardage. One of the most gratifying developments of the game to the fans was the manner in which Hamlin smothered a duplicate of Stamford's touchdown pass play to kill the surge of the Tigers to win the ball game.

Forced to surrender the ball after this fourth-down play was smeared, Anson went on the defensive and were soon backed in to their own goal territory by a series of three 15 yard penalties coupled with the ground game of the Pipers. Time ran out as the Pied Pipers were knocking at

the door of the Tigers for another counter.

In addition to handling the ball well from the quarterback slot, Sutherland was a power as a defensive linebacker.

Work of Frank Albert Tucker in handling his offensive assignments was especially pleasing to Hamlin partisans. Hopper and Armstrong both hawked the ball well in recovering fumbles in addition to tackling savagely.

Other honors also went to Floyd Sampson and George Owens of Anson. The game was billed by the New York office of the Associated Press as the "biggest surprise of the week."

For Anson the play of Billy Womack at center and defensive line backer stood out like the proverbial light house. Thompson performed as expected in the backfield and had considerable assistance from Tommy Howell and Robert Beck. Beck was a particular problem to the Pipers in his ability to get in the clear for pass completions.

First downs were tallied at 12 for Hamlin as against 6 for Anson. Penalties were Hamlin four for thirty yards and Anson 10 for 110 yards.

Jones County Boys Perform in Usual Style For McMurry vs Tulsa

Jones County's representatives who played for McMurry College Abilene in the Indians' game with Tulsa University last Saturday night performed in typical fashion.

Besides quarterbacking, Doyle Dean of Hamlin threw a touchdown pass for 18 yards to back Eddie Springer of Aspermont and gained 29 yards rushing.

Another Hamlinite, Brad Rowland lived up to all expectations, according to the Tulsa coach, and capped an all-round good performance with a 30 yard scoring throw to Springer.

Other honors also went to Floyd Sampson and George Owens of Anson.

The game was billed by the New York office of the Associated Press as the "biggest surprise of the week."

Lions Entertained By DePriest Class

Members of the Hamlin Lions club were entertained at their Tuesday luncheon meeting with a program provided from the Hamlin colored school. Steve Morgan, principal of the school was accompanied to the club by Mrs. Butler, director of the school dramatics department. Mrs. Butler, in turn, introduced Ellen Doris Jones and Emma Lee Green who performed a one-act skit entitled "Acid Test" which detailed the strain put to a lasting friendship by criticism of the offspring of each woman.

Following the presentation of the one-act play, Vanita Mayfield joined the girls in presenting a blues number arranged for a trio.

The girls were well received in their contribution and were invited to return at a later meeting.

Dr. Doyle Blackford, late addition to Hamlin's professional men in the operation of an optical office, was accepted and installed as a new member of the club.

It was again announced that the ladies night which had to be deferred because of bad weather had been reset for October 10.

Arrangements for the ladies night were left in the hands of the same committees.

Tate May Due To Be Back Home This Week

Mr. and Mrs. Tate May are expected to return to Hamlin this week after an extended tour of the North and East.

Mr. and Mrs. May first visited James Tate May at his home in Mattoon, Illinois, and went from there to St. Paul for a visit with friends. From St. Paul they went to New York and got in a trip to the New England states prior to the bankers convention in the Big City.

From New York they went to Washington, D. C., where they were guests of May's brother, Parker May, an employee in the State Department.

Sylvester Woman Snake Bite Victim

Mrs. W. H. Bradberry of Sweetwater died Sunday morning from a rattlesnake bite suffered while visiting her daughter, Mrs. Henry Tarter of Sylvester.

The fatal bite occurred when the pair had gone to look at a farm home where the daughter was preparing to move. The snake struck Mrs. Bradberry while she was walking in the yard. There was another snake with the one which inflicted the bite, but it did not strike.

The fangs sank so deeply in the flesh of Mrs. Bradberry that she had to place her free foot on the snake's body in order to pull it loose.

Doctors at the Roby hospital said the poison must have entered a major vein and that little or nothing could be done.

Death came at 5:20 Sunday morning. Funeral services were conducted at the Lamar Street Baptist Church, Sweetwater, Monday at 2:00 p. m. with Rev. C. F. Powell, pastor and Rev. Travis LaDuke of Longworth officiating. Interment was in the Slater's Chapel Cemetery at Nolan.

Surviving are: three sons, Wm. T. of Big Spring, Arvin W. of Abilene, Robert of Sweetwater; two daughters, Mrs. W. A. Burrows of Longworth and Mrs. Tarter of Sylvester; eight grandchildren; three brothers, Ernest Perry of Odessa, Robert and Geo. of Hamilton; several nieces and nephews.

Pvt. Billy D. Coltharp Reports to Lackland

Pvt. Billy D. Coltharp, 22, son of Mr. and Mrs. Garland C. Coltharp of 715 S. Central, Hamlin has reported to Lackland Air Force Base at San Antonio to begin the AF basic airman indoctrination course.

Upon completion of his basic training, which will prepare him for entrance into the AF technical training and for assignment in specialized work, it will also give evaluation of his aptitude and inclination for following a particular vocation and career.

Piper Band Selects New Officers for Year

The Hamlin High School Band which is composed of 53 members this year, had its organizational meeting this week at which officers for the year were named.

W. L. Fletcher, Jr., was named as Captain of the organization and Gerald Anderson was chosen First Lieutenant. John Norton is Second Lieutenant and Laura Courtney was named Secretary.

Donald Cheshier will lead the musical group as Drum Major.

Adding to the appearance of the Hamlin group is a recently received shipment of drums which included four snare drums and one bass which are finished in green flash pearl. These items add to the attractive appearance of the band in their new uniforms.

Golfers To Meet In Monday Session

Members of the Lakeview Golf Club are to be called in session Monday night at 7:30 at the City Hall.

Purpose of the meeting is to dispose of many matters pending in the affairs of the club and discuss the possibilities of building grass greens as a replacement for the sand now being used.

President Chuck Abbott has assembled information incidental to the construction of grass greens and installation of an irrigating system that requires the study of the club membership.

At the same time disposition of the funds which are held in escrow from the ill-fated country club drive will be discussed and disposition will be made.

Sufficient participating members could not be obtained to provide the funds for such an ambitious undertaking at this time.

Local golfers and visitors to the club are enthusiastic about the improved condition of the fairways at the Lakeview course and frequent statements have been made as to the superiority of the local course over all others in this section of the state.

Turf at the Hamlin course is free from rocks and the natural grass on the fairways in admirably suited to the game. Long-time members of the club state that the turf is in better condition this year than at any time in its history.

Three From Hamlin Sophs Attending ACC

Three students from Hamlin have enrolled for the 1950 fall semester at Abilene Christian College.

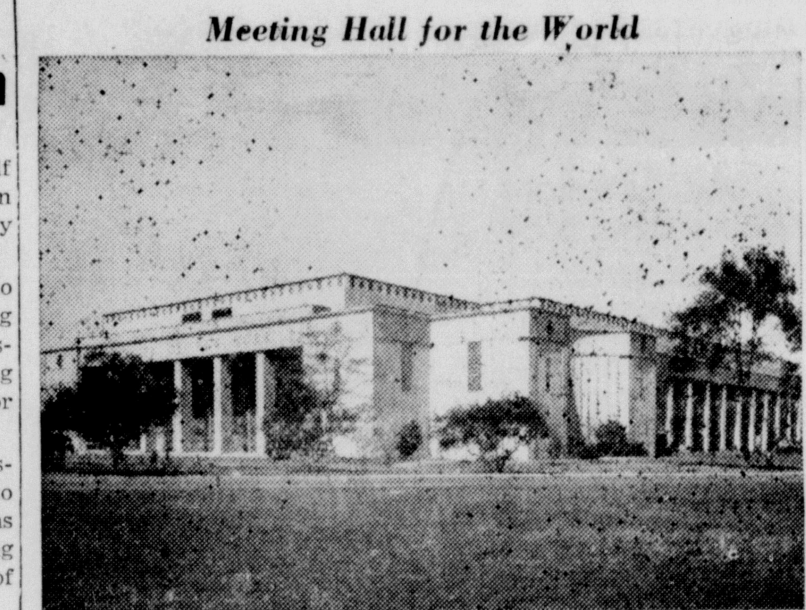

They are: Seth Adams Jr., son of Mr. and Mrs. Seth Adams of Route 1; Janet Bonner, daughter of Mr. and Mrs. Harold Bonner; and Peggy Terrell, daughter of Mr. and Mrs. Elmer J. Terrell.

All three are sophomore students at the college.

Robert Scott Jr., Buys Holstein-Friesian Bull

Robert Scott Jr. of Hamlin recently acquired a registered Holstein-Friesian bull from the Texas A&M College herd of College Station.

He bought Agtex Supreme Paulantha which has been registered with the Holstein-Friesian Association of America.

In this building at Flushing Meadows, New York, the representatives of 59 countries will meet in September at the General Assembly of the United Nations. More than 1000 delegates, alternates and advisers represent their countries at the session, the Assembly's fifth, at which almost every world problem will be discussed.

C. W. Gold Appointed To State V.F.W. Post

C. W. Gold, post commander of the Hamlin V. F. W., has been notified of his selection as assistant chief of staff for the department of Texas through the offices of the state department in Austin. Appointment of Gold to the state office was announced on September 15.

As an aftermath to the honor bestowed on him, Gold was visited last Friday evening by J. T. Rutherford, Department Commander, Bruce Francis, Adjutant and publisher of the Texas V. F. W. News; A. N. Armstrong, Chief of Staff for the district of Texas; all from Austin; and Raymond Mann, San Antonio, department inspector. Joining the group from the state office were Mr. and Mrs. Ben F. Bird of Abilene and Mr. and Mrs. Justin Morrow of Rotan. Mrs. Bird is past president of the auxiliary for the department of Texas and Morrow is Commander of District 8.

The state headquarters group joined with Mr. and Mrs. Gold in a trip to the regional meet at Lubbock last Saturday where a number of statewide activities received the endorsement of the assembly.

MRS. REYNOLDS ILL

Emergency surgery was performed early Wednesday morning on Mrs. Clifford Reynolds, Jr. Doctors Hawkins and Perrin performed the early morning appendectomy.

Arabia is sometimes referred to as Araby.

Baptist Brotherhood Slates Conference

According to W. A. Stephenson, president of the Baptist Brotherhood of District 17 a two night conference will be conducted October 5 and 6.

All pastors, brotherhood officers and members and other laymen are invited, he stated. Purpose is to study the best in Brotherhood organization and methods.

First night conference will be at the Cisco First Baptist Church at 7:00 p. m.

Second night conference will be at the Abilene University Baptist Church at 7:00 p. m.

Conference leader is L. H. Tapscott of Dallas, State Brotherhood Secretary.

McCaulley Teachers List Is Released Here

By McCaulley Reporter. Teachers of the McCaulley Schools for the 1950 year are as follows:

Elementary School—Mrs. O. T. Henington, first and second; Mrs. L. E. Rector, third and fourth; Mrs. C. M. Woods, fifth and sixth; Mrs. M. M. Sewell, seventh and eighth.

High School—Miss Dora D. Mitchell, commercial subjects; Mrs. R. B. Henington, English and homemaking; Orville Hill, history and math; S. L. Smith, superintendent.

In the school lunchroom you will find: Mrs. Beetha Greggs, supervisor; Mrs. Ryscoe Perryman and Miss Leila Houghton, assistants.

Pipers Primed For Game With Spur

Eve of the football game with Spur which will find the Hamlin Pied Pipers playing on the Spur gridiron Friday night, finds the local eleven in first class condition for the coming fray.

Despite rather rough play in the Anson game of last week, the Pipers came through the gridiron was without injury and they are at full strength to do battle with the Bulldogs of Spur.

Dope from previous games reported from Spur indicates that Grimland, at quarterback for the Bulldogs, is a slick hand in the passing department and defensive work has received the major portion of work from the Piper squad.

It is the belief of Coaches Burditt, Townsend and Nunley that if Hamlin can stop Spur's passing game they have an excellent opportunity to add another scalp to Hamlin's victory string.

The victory over Anson has provided the Pipers with an added spirit which has been manifest in their training work of the past week. No announcement has been released from the Piper tutors as to what the starting lineup will be, but it is believed that the coaches will string along with the victorious combination of last week.

New Stock Added To Moore Lake Fish Crop

According to a report made The Herald by F. E. Cauble, city lakes keeper a total of 8,500 fingerlings of bass and channel cat were received here last week and the early part of this week.

Friday the Moore Lakes received a shipment of 3,000 bass fingerlings and 1,500 channel cat from the San Angelo state fish hatchery.

Monday of this week the Hamlin New Lake received a total of 4,000 bass fingerlings from the Cisco fish hatchery. Mr. Cauble says, "None can say they are not in there (the lakes) now." So should you purchase a fishing permit you ought to bring home the "bacc."

Mrs. E. L. Carnes and Leta Mearl Slaughter visited in Dallas last week end.

Mrs. T. A. Douglas of Sylvester was a medical patient in a Rotan hospital week before last.

Medical authorities do not advise the application of beefsteak to a black eye.

WARY WARRIORS—American GI's in South Korea dropped this enemy sniper with a hail of bullets but took no chances as they approached his motionless form. The North Koreans, like the fly Japanese, have been known to play dead, and these Americans are making certain they will not be shot when they turn their backs.

"GIVE ME A CAR THAT'S BUILT TO LAST!"

says Mr. James Patrick O'Shea of Chicago

"My big Dodge has everything...famous
dependability...extra roominess...ease
of handling! Any other car offering as
much would have cost \$1000 more!"

GYRO-MATIC—AMERICA'S LOWEST PRICED AUTOMATIC TRANSMISSION

Dodge Gyro-Matic lets you set the
gear for full power in mud, snow or
steep hills—lets the engine "broke"
your Dodge smoothly on long down-
hill grades. Available on Coronet
models at slight extra cost.

No other car can match the
Dodge reputation for depend-
ability. No wonder new Dodge
owners say you could pay \$1,000
more and still not get all Dodge
features...the economy, the
performance, the extra spacious-
ness inside that means plenty of
head room, leg room, shoulder
room. The compact design out-

side makes traffic driving and
parking a cinch.
You'll enjoy Dodge Fluid Drive
—the smoother starts, stops, the
smoother "going"—yours at no
extra cost. Let today's big Dodge
put you miles ahead, money
ahead—for the years ahead.

NEW BIGGER VALUE
DODGE
Just a few dollars more than the lowest priced cars

Seeing
is believing

which is the cleanest-cooking,
easiest-to-keep-clean range

NO matter what kind of range
you now cook on, it couldn't
possibly be any easier to keep clean
than a modern gas range.

Tops are one-piece... oven corners
are rounded, eliminating dirt-catch-
ing, hard-to-clean places. All surfaces,
inside and out, are porcelain or chrome

—easy to clean as a china dish. Often-
soiled parts such as burners, grids and
spill-over trays are plate-size for dish-
pan sudsing.

Easy? Just the easiest-to-keep-clean
range in the world! No wonder 96
out of 100 women in the Southwest
area cook with gas!

Look. After a month—or a
year—of use on a properly
adjusted gas range, pan bot-
toms are so clean they won't
soil the daintiest handker-
chief. You can see it—you can
believe gas is clean.

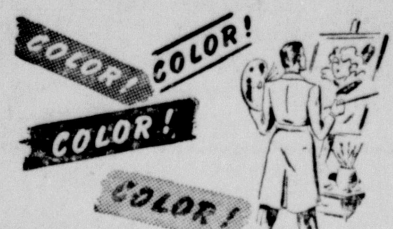

Only the live gas flames con-
sume greasy vapors produced
in broiling. You broil with the
broiler door closed so no
greasy vapors escape to soil
the kitchen. Look. See how,
see why it's so clean.

Achievement Day Is Friendship HD Subject

Achievement Day for the Friendship Home Demonstration Club was held last Friday.

Members discussed what the club had achieved and their own individual achievements.

Handmade articles of pillow cases, scarfs, crocheted baby jackets, hand painted china, aluminum trays and other things were displayed by the members.

Mrs. Ray Johnson gave a talk on a famous woman, "Ruth, Of the Bible."

Refreshments were served to the following: Mmes. Cecil Brown, Grady Smith, Homer Neal, Roy Brown, W. J. Kemp, R. S. Johnson, John Hix, Ray Johnson, Harry Gardner, Elbert Fomby, M. S. Johnson, T. W. Flemmiken, J. E. Johnson, Fred Carpenter, D. W. Carlton, Sol Branscum and Mrs. H. E. Brown.

Baptist Women To Hear Missionary Here

Miss May Bell Taylor of Haskell, a missionary to Brazil, will be the inspirational speaker on Tuesday, October 3 when the women of the Baptist Church assemble for installation of officers and a business meeting.

Installation of W. M. U. officers will be at 11:30 a. m. followed by a covered dish luncheon.

The business meeting will open promptly at one o'clock and Miss Taylor will speak at 1:45. All women of the church are urged to be present for this meeting.

Miss Taylor will also speak for the auxiliaries at 4:00 o'clock.

Mrs. J. P. Maberry of Sylvester was a medical patient in a Rotan hospital last week.

Hamlin Births

Born to Mr. and Mrs. W. D. Bristow Jr., a son, Tuesday, September 19, in a San Antonio Hospital. He weighed seven pounds and four ounces and has been named Phillip Jerome. Mrs. Bristow is the former Hilda Hubbard of Hamlin.

Born to Mr. and Mrs. T. A. Douglas of Sylvester in a Rotan hospital, a daughter, Saturday, September 16. She weighed seven pounds and four ounces and has been named Ronda Jean.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition

When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

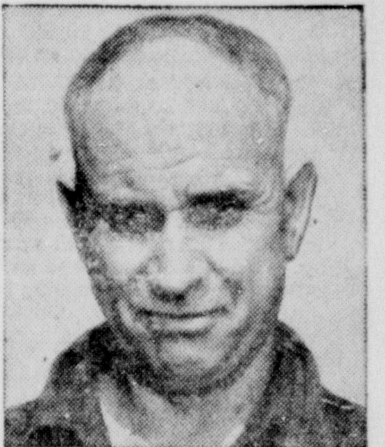

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio, "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio, "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT!

Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL.

HADACOL not only supplies deficient systems with extra quantities of

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.50. Large family or hospital size, \$3.50.

**Tire Rubber Economy
Never Possible Before**

Into the national achievement record has gone this phenomenal tire rubber economy—never known or possible before!

Not an ounce of wasted rubber yet each tire can give every owner years, instead of miles, of safety and service—his one tire investment for years to come.

With local communities solidly backed by extensive dealer investments in service and maintenance equipment, all of the original safety mileage of these unique tires is continuously renewed and renewable—when other tires are giving up their lives.

They are tires that work and serve at the very heart and core of the national economy in normal times, and in every possible rubber emergency.

They have set up entirely new standards of safety and mileage by which other tires are now being judged and measured, everywhere in the United States.

Whether with black, or with whitewalls, they provide their exclusive Protective Curbguard, their new Royaltex Tread and Traction, and they deliver up to 60% more safe mileage.

They have resulted from many years of continuous research, experience and U. S. Rubber investment. They are the only such tires in the world, priced as low as life and safety permit.

They are the tires that now roll and serve with the nation, with tire rubber economy never known before, remaining fresh and new in safety when other tires are giving up their lives.

Glamor Closets Keep Teen-Agers Tidy

If neither coaxing nor threatening have succeeded in turning your daughter's disarranged, catch-all closet into neat, well-ordered storage space, here's a tip that may turn the trick.

With a few yards of cotton fabric and a few hours at your sewing machine, you can make enough glamorous closet accessories to turn the most harum-scarum teen-ager into the soul of tidiness. If this is your first home-decorating assignment, your local sewing center will give you sewing tips.

There are two major reasons for unkempt closets: unattractiveness and lack of organization. If your daughter's present closet is dark and dark, it's no wonder she feels no compunction to keep it cluttered up.

Remedy this by painting the inside of the closet a cheerful color that will harmonize with the walls of the room and with the accessory fabric you have chosen. Install an electric light in the closet, too, to eliminate groping in the dark.

Then set about making closet accessories that will encourage your daughter to have "a place for everything, and everything in place."

For these accessories, which should include shoulder covers, garment bags, shoe bags and hat boxes, use a washable cotton fabric in gay print or plaid. It's a good idea to make certain the material is sanforized, to avoid the bugaboo of shrinkage.

Shoulder covers should be shaped to fit the clothes hangers. Length should be from six to 10 inches; width depends upon the bulk of the garment to be covered.

Garment bags for best dresses are handy and attractive storage compartments. They are made in the same way as shoulder covers, but are full length of dress or coat. When seaming front and back pieces together, leave one side open for snaps or a slide fastener.

For those cherished gold or silver slippers, make individual shoe bags. Cut the fabric large enough to allow for a drawstring top; the bag can then hang neatly from its strings on a clothes hook at the back of the closet. Dark tissue paper, wrapped around the shoes before they are put in the bag, will help protect them from tarnish.

To keep the closet floor uncluttered, make a shoe bag for the inside of the door. This should include a back section 18 inches wide, and enough fabric strips, reinforced with cardboard or buckram, sewed on at intervals, to form pouches for four to six pairs of shoes.

A covered hat box is next on the list. Make a paper pattern by tracing the box. Add a half-inch all around for seam allowance.

To encourage her daughter's neatness, this mother stitches up accessories for a glamor closet. Gay plaid pieces, trimmed with eyelet ruffle, include a hat box, shoe bag, shoulder covers and slipper bags.

The cover will fit best when cut on the bias. After the sections are stitched together and the seams pressed open, wet the surface of the box with glue and smooth the fabric on.

To complete the job tack a row of eyelet ruffle to shelf edges, and add a few small sachets filled with your daughter's favorite scent.

Hamlin Camp Fire Girls Stress Safety

"A recent survey shows Camp Fire Council president Ryland Gleaton said, that 4,635 schools in the United States now offer courses in driver education and training—both classroom and behind the wheel. This is evidence, I think, of the tremendous importance placed on safe traffic practices by our young people."

He pointed out that the Hamlin Camp Fire Girls, have made safety the theme of their current Membership Drive which started September 15 and runs through November 30.

"Camp Fire for a happy life—safety for a long one," he said, "is the idea we are trying to get across. Our girls are learning basic traffic safety rules as pedestrians, bicyclists and in the case of our senior group—the Horizon Club—drivers of automobiles."

Kathleen Crawford, executive director, said that the national Camp Fire organization has been cooperating for sometime with

WANT TO HELP?

The Herald this week is asking all housewives to help make a favorite recipe column in each issue of your hometown newspaper.

It's simple—just write your family (and yours) favorite dish or recipe and tell how it is prepared.

Then each week someone's favorite recipe will be printed—you can clip them for your recipe file.

Bobby Caldwell of Hamlin was a medical patient in a Rotan hospital week before last.

National safety authorities in promoting, among Horizon Club members, a dad-daughter agreement on use of the family car. This agreement, between father and daughter, grants the latter permission to drive the family car, stipulating certain conditions under which she agrees to drive.

They're ALWAYS Right...

Men who know values—men who appreciate the importance of a well-groomed appearance—these make up our regular customers for Curlee Clothes. In the complete Curlee line you will find combined all of the features which make for satisfaction; skilled styling in the modern manner, selected materials of finest quality in the season's newest patterns, expert tailoring which gives careful attention to every detail of construction. Come in and see our new selection of Curlee Fall Suits. We are featuring them in a complete range of styles, models and sizes—priced right.

Just sharpen your pencil— and there you are!

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor.

Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how Buick delivers prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in

mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive*, or one in which gears still shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

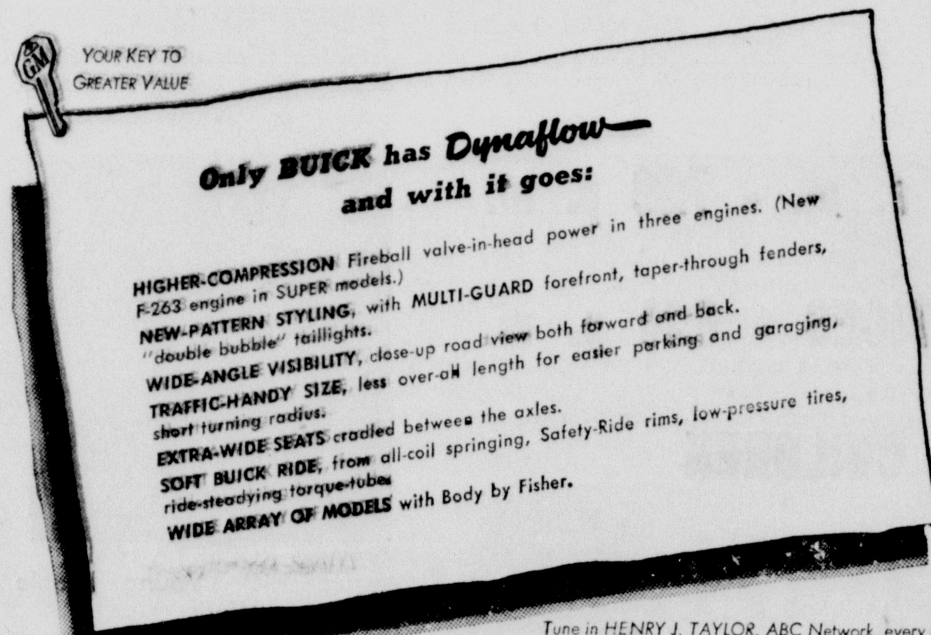

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

WHATEVER YOUR PRICE RANGE

"Better buy Buick"

Only BUICK has Dynaflow—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)
NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights.
WIDE-ANGLE VISIBILITY, close-up road view both forward and back.
TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius.
EXTRA-WIDE SEATS cradled between the axles.
SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube.
WIDE ARRAY OF MODELS with Body by Fisher.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Final Rites For Mrs.
R. S. Dean Tuesday

Final rites for Mrs. Robert S. Dean, 58, of Hamlin were conducted Tuesday. She died Monday in the Hamlin Memorial Hospital at 4:00 p. m. from a stroke after becoming ill Sunday morning.

Funeral services were conducted at the Hamlin First Methodist Church at 4:00 p. m. Tuesday with Dr. Will C. House, pastor, officiating.

Burial was in the East Cemetery under direction of Barrow Funeral Directors.

Mrs. Dean was born in Hamlin June 9, 1892 and married R. S. Dean in 1916 here. He died in 1945. She was a member of the Methodist Church.

Survivors include: her mother, Mrs. G. L. Barnett of Hamlin; three sons, R. A. of Abilene, George Russell, with the U. S. Marines in California, and Olvis of Mount Pleasant; one daughter, Mrs. Harvey McIntosh of Dallas; four brothers, Jim, Martin and John Barnett, all of Hamlin, and Clee Barnett of Brownfield; three sisters, Mrs. J. B. Terrell, Mrs. R. D. Moore and Mrs. Ray Willingham, all of Hamlin; and three grandchildren.

Honor Students Listed
By DePriest School

Bicycles have been in use for about 100 years.

Three Sylvester Firms
Entered By Thieves
Last Wednesday Nite

Myers Grocery Store, Josey Grocery and the Sylvester Drug Store were burglarized last Wednesday night, according to a report by Fisher County Sheriff Wilkins.

Thieves gained their entrance into the buildings through the back door.

Around \$45. worth in cigarettes were taken from the Myers Grocery.

Around \$30. and change was taken at the Josey Grocery. While from the Sylvester Drug jewelry and billfold were taken. Each store was also missing a radio.

A suspect is being held in the Fisher County jail. No charges had been filed at last report.

Mrs. Wallace Walton of Hamlin was a surgery patient in a Rotan hospital last week.

THE HAMLIN HERALD

Supt. Hutchingson Speaks at DePriest School on Education

Superintendent I. R. Hutchingson of the Hamlin Schools delivered an address to the Hamlin De Priest School at the end of the first six weeks of work.

He stressed to the students the importance and necessity of attending school and also the necessity of at least a high school education. He concluded by stating that there is a world to be discovered in books.

The address was preceded by a morning devotional and several numbers from the second grade class with Mrs. E. F. Ford in charge.

FOR RENT—Nice bed room. Two men, twin beds, innerspring mattress, close in. Phone 545-W. 50 Southwest Second. 1c

WTC Fair Boosters Due Here Wednesday

According to a report issued by the Haskell Chamber of Commerce a cavalcade of Haskell businessmen will be in Hamlin Wednesday, October 4 at 9:55 a. m. to give a street performance.

The booster trip is in interest of the West Texas Central Fair to be held at Haskell October 9 through 14.

Optometric School Is Attended by Blackford

Dr. Doyle Blackford, optometrist, of Hamlin attended the West Central Texas Optometric Association meeting in Abilene Sunday afternoon.

The group met in the office of Dr. O. B. Stanley and discussion

Band Participates In Abilene Fair Parade

Hamlin High School Band was among several others of this area to participate in the West Texas Fair Association, Abilene, parade Monday of this week.

Following the parade in which Rotan, Anson, Albany and Stamford participated along with the Pipers, the group attended the fair in a body.

Box Supper Is DePriest School Event Friday

Homemaking Department of Hamlin De Priest School sponsored a box supper last Friday night.

centered primarily around visual training techniques for children confronted with strabismus.

Proceeds from the supper will go towards beautifying the cafeteria of the school. A short program preceded the supper. The group is under the supervision of Mrs. Ethel Fay Ford.
